

Key Facts		Description / Objective
Plan Sponsor	State of North Carolina	The North Carolina Small/Mid Cap Index Fund (the "Fund") is offered exclusively for participants in the NC 401(k) and NC 457 Plans. Effective 01/01/2016, the Fund is held in a group trust and you own units of the group trust. The Fund invests in the Russell 2500 Index Fund F collective investment trust ("C.I.T.") managed by BlackRock which attempts to replicate the composition and performance of the Russell 2500 Index. The Fund seeks to provide long-term growth of capital. There is no assurance the objective of the Fund or its underlying C.I.T. will be met. The inception date noted for the Fund in Key Facts is the inception date for the insurance company separate account. <i>Small and mid-sized companies may present greater opportunities for capital appreciation, but may also involve greater risks than larger companies. As a result, the value of stocks issued by these companies may fluctuate more than stocks of larger issuers.</i>

Performance Calculations/Fund Fees Reflected In Performance. All performance results include the deduction of the Net Expense Ratio, which currently includes an investment management fee of 0.01% and an operating fee of 0.04% (inclusive of an administrative fee of 0.025%, trust expenses and custodial fees). Expenses are estimated and rounded, and actual expenses may vary. Performance results are net of trading costs incurred by the investment manager. Each plan charges a separate \$31 recordkeeping and communications fee per account that is not reflected in performance.

Prior to 1/1/2016, your Plan invested in units of an insurance company separate account established on 3/6/2009. The North Carolina Small/Mid Cap Index Fund was offered as an investment option under a group variable annuity contract issued by Prudential Retirement Insurance and Annuity Company, Hartford, CT ("PRIAC") which invested in the same C.I.T. as the Fund with the same investment manager(s) as of 01/01/2016 and the same investment strategy as the Fund. The PRIAC group annuity terminated on or about 1/1/2016. All performance results prior to 1/1/2016 reflect the performance of the insurance company separate account including the deduction of an investment management fee of 0.01% and an operating fee of 0.16% (inclusive of an administrative fee of 0.025%, recordkeeping fee of 0.079% and custodial fees).

Performance Risks. Before investing, investors should carefully consider the investment objectives, risks, charges and expenses of this Fund and other plan investment options. The performance quoted represents past performance. The investment value and return will fluctuate so that an investment, when redeemed, may be worth more or less than original cost. Past performance does not guarantee future results. Current performance may be lower or higher than the performance data quoted. For performance data current to the most recent month end, please call 1-866-NC-PLANS (1-866-627-5267). It is possible to lose money investing in securities. Past performance is not indicative of future performance and short periods of performance may be particularly unrepresentative of long-term performance.

Miscellaneous. Frequent exchanging of investment options by participant may harm long-term investors. Your plan and/or the Fund may have policies to detect and deter potentially abusive exchanges. The policies may require us to modify or terminate investment exchange privileges. Indices are unmanaged and cannot be invested in directly. See User Guide for Index definitions.
